"The Discovery of Architecture - a contemporary treatise on ancient values and indigenous reality", by M N Ashish Ganju and Narendra Dingle, is an essay on the need for a new theoretical understanding of architecture relevant to our times. It proposes an analytical framework which can form the matrix for the new understanding to emerge. The authors have been practising and teaching architecture for several decades, primarily in the Indian subcontinent.

Published by GREHA, the essay is available for sale at the price of Rs 500/- per copy. It can be obtained by sending a request by email to grehadelhi@gmail.com.
